SELECTION PROCEDURE

B.Pharm, Pharm.D & D.Pharm courses

Preparation of common Merit list and Allotment of candidates:

Admissions will be done on the basis of marks obtained by the candidates in the qualifying examinations as mentioned below.

The marks obtained by the candidates in the relevant subjects in the qualifying examination conducted by various Boards or authority of other states shall be equated with the marks obtained by the candidates in the same subjects in the qualifying examination conducted by the Director of HSE, Kerala. Marks obtained by the candidates under various streams of examinations such as HSE in Kerala/CBSE/ICSE etc. will be subject to the process of normalization.

Explanation: Under the method of normalization, the highest mark obtained by students of various Boards in each subject shall be equated to the highest mark obtained by the students of the Kerala Higher Secondary examination in that subject and the relative marks obtained by other students in that subject shall be determined accordingly.

Illustration: If the highest marks secured by the student of the Kerala state HSE, in Physics is 100 and the highest mark secured by a student on any other board in the same subject is 90, both the highest marks will be considered to be equal to 100, if a student of the other board secures 60 marks in Physics when the highest mark in Physics in the same board is 90, the 60 marks will be considered to be equal to 66.67marks as arrived at below:

$$100 \times 60 / 90 = 66.66\%$$

Those candidates, who have passed the qualifying examination of any state other than Kerala, will be treated at par with those students who have passed the Higher Secondary Exam of this state. Since the normalized marks depend on the applications of a College, the index marks of an applicant may vary from college to College.

For allotment of D.Pharm students to the Pharm.D course, Rank List will be prepared on the basis of the marks obtained by candidates in first and second year of D.Pharm examination from an institution approved by PCI under section 12 of the Pharmacy Act.

PUBLICATION OF RANK LIST

B.Pharm, Pharm.D & D.Pharm

The Rank list will be published by the Association in its website www.ksspcma.com and the allotment memo will be send to the candidate by the Association based on the rank and options given by the candidate. The respective Colleges will be admitting the students as per the allotment memo.

- i. In the case of a tie in the total marks, the marks in Chemistry in the qualifying examination will be counted. If there is still a tie, the marks in physics will be counted. If a tie still exists, the age of the candidate will be taken into account, the elder preferred to the younger. **If a tie again exists, the alphabetical ascending order of the name of the candidates in English will be taken in to account.**
- ii. Furnishing false information/particulars would result in the forfeiture of the candidature as well as cancellation of admission to the course, and in addition, will attract the relevant provisions of criminal law of the land.
- iii. Seats lying vacant under the Govt. Merit Quota after the date fixed for the completion of admission will be treated as lapsed seats and can be filled up by the respective Colleges from among the applications received from the eligible candidates. In case there is sufficient / eligible candidates are not found the College can individually invite applications.

SELECTION PROCEDURE

B.Pharm Lateral Entry

Admissions will be done on the basis of marks obtained by the candidates in the qualifying examination.

PUBLICATION OF RANK LIST

SCOPE OF PHARMACY COURSES

This course teaches students how to prepare and dispense medicine and make the students to convey the drug related information to the public. This course enables Pharmacy students to clear doubts about the prescriptions given by the doctors and can give more valuable advices on the Health care programmes. Pharmacists are capable of evaluating drugs and drug use pattern. In the fast developing world, Research and Development (R &D) in the Pharmaceutical Industry is progressing and advancing at a very high speed which calls for Pharmacists with attractive financial package in spite of the economic crisis prevailing now.

Career scope for Pharmacy Professionals

A career in Pharmacy, unfolds a vista full of opportunities leading to a golden future for a young career aspirant. The various vocations a pharmacy professional can opt for are described below:-

Production & Manufacturing:

A Pharmacy Professional can work as a production person (Chemist, Officer, Executive, Manager, Vice-president), involved in the production of bulk drug & intermediates or formulations and dosage forms.

Research & Development:

This forms the heart of any industry, as it is the key to growth and sustenance. Mainly M.Pharm, Ph.D & Pharm.D are in great demand in the various areas of Pharmaceutical R & D, such as New Drug Discovery Research, Process Development, Product Development & Formulation, Pre-Clinical & Clinical Trials, Bio equivalence studies and Toxicological Studies.

Analysis & Testing

Quality control (QC) and Quality Assurance (QA) are the most integral areas of the drug & pharmaceutical industry. Highly specialized and trained staff is required to handle sensitive analytical procedures & sophisticated equipments. M.Pharms & Ph.Ds in Pharm. Analysis/Q.A. are highly preferred for this job.

Marketing

The Pharma Sales & Marketing is a highly technical field & offers excellent opportunities for the Pharmacist

Hospital Pharmacy

Like U.S.A. & Canada, this trend is already set in many Hospitals in our country. The Pharmacist is the best-informed qualified drug expert whose advice is sought by everybody regarding the dosage, incompatibilities and side effects of drugs with the help of Micromedex Software.

Community Pharmacy

This concept is rapidly catching up the Healthcare service in our country. A Pharmacist becomes a vital link between the patients and the Pharmaceutical products i.e., drugs.

Academics

This is a profession associated with job satisfaction and social status as Teaching is considered to be noble profession. The posts in the hierarchy are Lecturer, Sr. Lecturer, Reader, Asst. Professor, Professor, Principal etc. The emoluments are satisfactory. Besides teaching, academic related opportunities involve positions on research posts and training programs.

Regulatory Affairs

Locally the F.D.A. (Foods Drugs Control Administration) is the main regulatory body governing and implementing the rules and regulations for the Drug & Pharma industry. The job opportunities range from the levels of a Drugs Inspector (D.I.), Sr. D.I., Asst. Drugs Controller, Deputy Drugs Controller, Drugs Controller of state and finally D.C.I. (Drugs Controller of India). Self-employment - can establish his own manufacturing facilities and register the same.

Consultancy

This is an ideal opportunity for highly technical and experienced Pharmacy Professionals to earn handsomely as self-employed entrepreneurs, even after the age of retirement.

Dedicated pharmacists are the backbone of the Health sector and we at Devaki Amma Memorial College of Pharmacy aims at moulding the future Pharmacist of the Nation. We welcome the student community who are really aspiring to become a committed and dedicated pharmacist. Once you join the college you are expected to complete the course and come out successfully. Discontinuing the course in between will not be entertained. Such action from the part of the students, will not only bring financial burden to the college, but also will be a reason for wasting an opportunity for another student who would have benefitted a lot if got admitted to this seat. So make sure, you really need to be a pharmacist and that too from this college. Discontinuing the course any time in between will lead to payment of the total fees for the entire course you have joined. This college has strictly banned Mobile phone in the campus and hostels. No exemption will be granted for this. Safety of students is a major concern of the college. We assure a well disciplined education for all students. We make this sure through highly qualified, experienced and dedicated faculty and non-academic staff of the college. Please go through our website and see the faculty line so that you can be convinced. We welcome the student community to Devaki Amma Memorial College of Pharmacy to have a wonderful time in the college clubbed with studies, entertainment, social activities, cultural programme, sports and many more that will make you a complete human being and dedicated Pharmacist and an entrepreneur.

Note: Devaki Amma Memorial College of Pharmacy has fixed a higher eligibility criteria for admission to the courses in the college.
